Data in this database are refreshed every 1st at 15th day of every month with the data from the production environment.

Nová funkcionalita: V případě udělení hodnocení B se předsedovi oborové rady pod jeho rolí objeví možnost zaevidovat snížení pravidelného doktorandského stipendia (dle čl.12 odst.5 Stipendijního řádu UK, výsledná výše stipendia v procentech ani odůvodnění je nepovinné), včetně odůvodnění. Návrhy změny stipendia se budou zobrazovat v samostatné sekce v hodnocení, a to pouze školiteli, oborové radě.

Připomínám, že pro nové programy je nutné doplnit oborové povinnosti. Ty musí být vyplněné než se student založí ISP. Pokud je tedy máte pošlete mi je na email sis@fsv.cuni.cz.
