

Crowdberry: Investment analyst – internship

Crowdberry a.s.
Location: Praha

Our equity investment platform is looking for a bright and engaged INVESTMENT ANALYST INTERN. Working hand in hand with experienced investment managers of CROWDBERRY in Czech Republic, you as the right candidate shall participate in our market and company research of new exciting investment opportunities in SMEs and REAL ESTATE projects for our growing investors base.

If you know how to look at the business environment from a helicopter view, appreciate very flat corporate hierarchy and want to learn to connect the right dots to succeed, we would love to hear from you and take you onboard.

Objectives

- Investment process support from process kick-off to investment closing
- Financial, business and market analysis of Start-ups/Small and Medium sized enterprises, Real Estate and Real Estate development projects for new deal-flow opportunities
- Gather, analyse and interpret corporate, financial and market information
- Preparation of financial models and PPT presentations for investors
- Business implementation of any recommendations from research/competition analysis
- Review of the crowd-investing market, its potential and competitive landscape in the CEE region and beyond
- Reporting and participation at workshops for selected industries and mega-trends
- Advising companies looking to finance their visions and growth

Our requirements

- University student (corporate finance/banking/economics), preferably in their last or second-to-last year of a Master's degree
- Relevant work experience is a big plus – ideally investment, corporate finance, consultancy
- Market and financial data research skills with attention to details and appreciation of numbers.
- Basic experience in reading and understanding financial statements, reports and presentations
- Sound writing and communications skills in both Czech/Slovak and English language (min. C1 level)
- Intellectual curiosity with a twist of creativity. Flexible, preferring new challenges over routine
- An entrepreneurial “can-do” attitude facilitated by continuous learning
- Active participation in an open-minded, creative and hard-working team
- Self-starting (!), motivated, responsible and reliable, naturally curious and willing to learn
- Sound proficiency in MS Office suite

Our offer

- Internationally experienced team to learn from in a flat organisational structure
- Intellectually intense but fun work with a hands-on business contribution
- Environment in and around innovative businesses, Real Estate, top Czech and Slovak SMEs with international reach, and interesting network of private investors, both national and international
- Growth within the team based on a career plan desirable
- Flexible working hours with a pleasant and casual working environment
- Monthly compensation based on hourly or man-day rate

About Crowdberry

Crowdberry www.crowdberry.eu is a leading alternative investment platform operating in Czech Republic and Slovakia with partnerships established with the Private banking departments of Tatra Banka and Raiffeisenbank Czech Republic. We provide a professional marketplace for entrepreneurs and investors to enable growth for innovative companies as well as attractive investment opportunities for our capital providers. We advise and help build new businesses with a mission to become a growth catalyst for the future economy. So far Crowdberry investors have provided more than 30 mEUR of capital into 20+ target companies.

In 2021, Crowdberry has established CB Property Investors www.cbpi.eu, a Real Estate investment fund for qualified investors, targeting value add Real Estate investments.

Crowdberry's subsidiary, CB Investment Management www.cbim.sk, manages an investment fund of 23 mEUR dedicated to start-ups and young companies in Slovakia with an international expansion profile. The fund has a 10-year lifetime and invests tickets from 200k to 1.6 mEUR in companies younger than 3 years and supports them with their international expansion and later on with exit. In the first two years of the fund's existence, 11 mEUR have been invested in 20 innovative Slovak start-ups, such as DNA ERA, Artzenal, Nitroterra and Boataround.

Sounds interesting to you? If yes, send your CV to maria.glesk@crowdberry.eu
