

Paid internship opportunity within VC and PE – RSJ Investments

Spending time at RSJ is a fantastic way to get up close to the world of finance, connect with successful European investors, discover what excites and inspires you, and find out where it may take you.

RSJ Investments is an asset manager that spun out of a successful algorithmic trading business and is now a part of the [RSJ group](#). The company manages over 500 mil. EUR and invests Europe-wide in broad range of verticals that include venture capital, private equity, life sciences, and real estate. While some of our investment strategies focus on the CEE region, we predominantly collaborate with partners from all over the continent.

As part of our internship program you'll gain exposure to the European fund and startup ecosystem. The internships are flexible both in terms of duration (summer/semester/year) and mode of work (office/home office). You'll collaborate with colleagues from the VC and PE on leading investment into projects in the realm of alternative assets, and assist on preparing fundraising presentations. We're looking for exceptional individuals with passion for knowledge and strong work ethics.
